Amendments to the Bylaws

Explanation: The Board of Directors appointed a Bylaws Committee to review the Association's Bylaws in conjunction with the Association's legal counsel this past year to determine if changes were required under current Florida law or where appropriate as certain subjects were either not addressed in the current Bylaws, or the Board or legal counsel determined certain provisions need further clarification. In addition, NAR® mandated Bylaws provisions have been included. To ensure all of the changes are internally consistent with each other, the Amendments to the Bylaws will be voted as **one** vote. ("approved" or "not approved"). Both a red-line and clean copy were provided to all Members to review.

The Board recommends you to vote "yes."(Check only one.)
