3. Limit of homes per tour per week is at the discretion of the tour coordinator based on several factors but will generally not be more than 12.
4. Properties must be entered into the MLS tour properly via Broker Tours/Caravan unless otherwise agreed by the tour coordinator.
5. The listing agent or a licensed agent representative **MUST** be present during tour meeting and at the property and participate touring all homes.
6. At the tour coordinator's discretion, 2 homes may be on the tour presented by one agent provided the tour is not full or for other reasons including proximity of one home to the next for example.
7. Attendance is rewarded.

8. Failure to Be Present will result in the elimination of the home from the tour.
