2021 NAR Special Assessment

The Special Assessment for the Consumer Advertising Campaign (formerly known as Public Awareness Campaign) is \$35 for 2021.

Through this campaign, NAR aims to demonstrate to consumers the value REALTORS® bring to the real estate transaction and beyond – in their communities, in their understanding of local markets, and in their influence on public policies that encourage and facilitate real property transfer and ownership.

As the communications environment becomes ever more cluttered, NAR's Consumer Advertising Campaign ensures that the REALTOR® brand remains front-and-center with consumers through a comprehensive, multichannel strategy to reach consumers and REALTORS® wherever they are—including online platforms such as YouTube, Facebook and Instagram; digital channels like Hulu, Amazon, and Roku; and traditional channels like television, radio, and print.
