If you do not complete the Orientation within the three-month time period, then your application for membership will be canceled, and you will forfeit the Application fee. Once forfeited, you must repay the application fee to reinstate your application. You must complete Orientation before you can become a REALTOR[®] member of ECAR. If you arrive at Orientation late or leave early, then you will be required to complete the entire Orientation again.

MONTHLY BILLING:

All billing is sent via email. If you check “Do Not Allow” in the email category under your contact information, then you will not receive any emails from the association including billing. If you check “Do Not Allow” and do not receive the billing information, then you will still be responsible for checking your account through the portal and paying your account monthly. **No excuses.**

REAL ESTATE LICENSE & CHANGES MADE WITH DBPR:

ECAR has nothing to do with your real estate license and has no connection with DBPR (ECAR is connected to FR & NAR only). All Florida licensing is handled through DBPR. It is your responsibility to keep up with your continuing education requirements and license expiration date. ECAR does not have the ability to check your CE credits reported to DBPR. If your real estate license becomes suspended or expires, then you will be inactivated from ECAR until it has been reactivated. Please email ECAR a copy of any notification you send to DBPR (name change, etc.). Once DBPR shows the change on their website, then we can make the change in our database. Address or phone number changes can be made to ECAR over the phone or via email. Please remember that we will not know of any changes unless they are reported.

CHANGING OFFICES:

A licensee changing brokers must notify ECAR by sending in a copy of the DBPR confirmation and a new MLS Subscriber Agreement for MLS access. MLS access will be suspended until the new agreement is received.

FR - Florida REALTORS[®]

NAR – National Association of REALTORS[®]

Since 1969, the REALTORS® Political Action Committee (RPAC) has promoted the election of pro-REALTOR® candidates across the United States. The purpose of RPAC is clear: REALTORS® raise and spend money to elect candidates who understand and support their interests. The money to accomplish this comes from voluntary contributions made by REALTORS®. These are not members' dues; this is money given freely by REALTORS® in recognition of how important campaign fundraising is to the political process. RPAC doesn't buy votes. RPAC enables REALTORS® to support candidates that support the issues that are important to their profession and livelihood.

An Overview of RPAC

▾ RPAC WORKS

From 2004 to 2010, RPAC raised over \$30 million dollars to support pro-REALTOR® candidates running for Congress. The amount of money RPAC spends to support candidates makes it the number-one trade association PAC in the nation. REALTORS® are a key part of the American dream: home ownership. But now, more than ever, REALTORS® are facing forces from many directions that threaten their profession. Property tax burdens, lack of available financing and difficulties in short sales transactions are only a few of the issues that somewhere, every day, REALTORS® confront when selling a home. RPAC allows REALTORS® to make sure their concerns about these issues are heard and understood by public officials.

▾ RPAC SUPPORTS THE REALTOR® PARTY

RPAC's mission is to identify candidates for elected office on the local, state and national levels who will work with REALTORS® to promote and protect the American Dream of homeownership. Candidates that receive support from RPAC are not selected based on their political party or ideology, but solely on their support of real estate issues. Our legislative allies are members of the [REALTOR® Party](#). The REALTOR® Party supports the issues that are important to your business as a REALTOR®, regardless of political party affiliation.

▾ RPAC SAVES YOU MONEY

REALTORS® are business people and know that the best way to do business is to maximize return on investment. So, how does RPAC help a REALTOR®'s business? CONSIDER THIS:

- **Banks in Real Estate:** After an eight-year fight, Congress passed legislation in 2009 to permanently keep banking conglomerates out of the real estate brokerage, which saves the typical real estate professional \$5,400 annually.
- **Conforming Mortgage Loan Limit Increase:** Legislation that increased the Fannie and Freddie conforming mortgage loan limits increased the earnings of the typical real estate professional by \$6,250 last year over and above what would have been the case without the increase in the Fannie/Freddie loan limits.

- **Distressed Sales Tax Relief:** NAR-supported legislation provided \$606 million in tax relief through 2012 to homeowners who are forced to sell their homes for less than the amount of the outstanding mortgages. Unlike before, if the lender forgives some portion of the mortgage, the forgiven amount won't be taxed as income. The relief applies to short sales, foreclosures and workouts of existing mortgages on principal residences. That's money back in your pocket and added back to your business' bottom line. RPAC is an investment; your investment in your business.

▾ A NEW, DYNAMIC RPAC

In 1969, the average cost of a house was \$15,500. A new car went for \$3,270. Now think about political campaigns. In 1974, the cost of winning a campaign for the U.S. House of Representatives was \$56,500. In 2008, that cost was \$1.3 million. Times have changed. Political candidates need more support and RPAC is constantly finding new ways to help our members and state and local associations raise more money, including...

- Giving the state and local associations the ability to conduct online fundraising campaigns.
- Providing software so that every state and local association can better manage their record keeping.
- Offering associations professional fundraising assistance to recruit major investors.
- Assisting associations in creating marketing materials to encourage REALTORS® to contribute to RPAC.
- Educating our members with online training on how they can improve their fundraising.
- Distinguishing major investors through a comprehensive recognition program
-

▾ IF NOT YOU, THEN WHO?

REALTORS® must be politically active. If not, who will take on the responsibility of protecting the values and rights we hold dear? Be assured that someone will—someone who may not value wise business planning and could threaten property owners and their rights. If REALTORS® do not speak out, get involved and help shape the discussion, someone else will. No one knows a community better than a REALTOR®. REALTORS® know the lay of the land, the families, the best schools, the neighborhoods and the leaders of any given area. REALTORS® work in every city, county and community in the nation. REALTORS® are on the front line as defenders of real estate issues.

RPAC uses its financial resources to support candidates for Congress who both understand and support REALTOR® issues. RPAC looks to build the future by putting dollars in places that will help advance the interests of real estate professionals. RPAC is the only political group in the country organized for REALTORS® and run by REALTORS®. RPAC exists solely to further issues important to REALTORS®.

Frequently Asked Questions About RPAC

▾ What is RPAC?

RPAC is a voluntary political action committee whose membership consists of REALTORS® interested in actively and effectively protecting the real estate industry and the dream of homeownership by participating in government affairs at the local, state and federal levels.

▾ What does RPAC do?

RPAC is the muscle of REALTORS® in Washington, D.C. RPAC represents over 1,100,000 politically active REALTORS® that Members of Congress want as their friends. Because of the combined strength of our members who contribute, through RPAC NAR has achieved many legislative and regulatory successes including:

- The continued preservation of the mortgage interest deduction.
- \$8,000 First-Time Homebuyer Tax Credit to stimulate the real estate market.
- Improving federal mortgage programs, allowing more families to join the ranks of homeownership.

▾ Why should I contribute to RPAC?

When REALTORS® join together, they have a very powerful voice that is heard loud and clear. The REALTORS® Political Action Committee exists solely to further issues important to REALTORS®. It's the only political action committee in the country that is organized by REALTORS® to promote and protect the dream of homeownership in America. RPAC works every day on behalf of REALTORS® so that you can practice real estate with the assurance that someone is fighting for you and the real estate industry.

▾ How does RPAC protect the real estate industry and my business?

RPAC helps protect the industry by funding those candidates for elective office who best represent the concerns of REALTORS® and the REALTOR® Party.

▾ Is RPAC affiliated with either major political party?

No. RPAC is not affiliated with the Republican or the Democratic Parties and does not support one candidate over the other because of party affiliation. Instead, RPAC supports "REALTOR® Party" candidates, those who have indicated or demonstrated that they are interested in pro-REALTOR® or pro-business issues.

▾ How can I get involved?

RPAC involvement can take the form of a monetary commitment or a commitment of one's time. Since the political process is ongoing, both forms of commitment are needed. [Contact the RPAC staff to get involved.](#)

Contributions

▾ How will my contribution be used?

One hundred percent of your contribution is used to elect REALTOR[®] Party/pro-REALTOR[®] candidates.

▾ Who may be solicited for RPAC contributions?

Federal election law permits RPAC to solicit only individual members of NAR and their families, and certain REALTOR[®] association staff members. The term "members" means all individuals who currently satisfy the requirements for membership in any one of the local, state, and/or the National Association and regularly pay dues. Executive, administrative and management personnel of the local, state and/or national associations may also be solicited.

▾ Are contributions to RPAC tax-deductible?

No. Contributions to political committees such as RPAC are not tax-deductible on your federal income taxes.

▾ How much of my contribution stays with the state association and how much goes to the National RPAC?

National RPAC maintains voluntary cooperative agreements with the state associations' Political Action Committees. Funds received by RPAC are split between your state associations PACs and National RPAC. The breakdown of contributions is: 70 percent of your contribution remains in the state to be used in state and local elections and 30 percent of your contribution will go to National RPAC to fund key U.S. House and Senate races. Until your state PAC reaches its RPAC goal, 30 percent of your contribution is sent to National RPAC to support federal candidates and is applied against your federal campaign finance law contribution limit of \$5,000 per year to RPAC. Once a state PAC reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.

▾ What is the difference between hard (personal) and soft (corporate) money?

RPAC maintains a segregated account and may accept and deposit into that account only "hard" dollars, and not "soft" (corporate or other prohibited) dollars. Hard money is raised from individuals, who can contribute up to \$2,400 directly to a federal candidate per election and \$5,000 to a Political Action Committee, like RPAC, per year. RPAC can contribute \$5,000 to a federal candidate per election. Soft money includes contributions by REALTORS[®] made from their company's corporate account rather than from their personal accounts. Hard and soft funds contributed by REALTORS[®] count equally for RPAC recognition purposes for the contributor, but since federal candidates cannot accept soft money, RPAC does prefer hard (personal) money. With that said, RPAC would rather collect a soft dollar contribution if the alternative is no contribution at all because soft dollars are also valuable. Although soft money can't be used to contribute directly to federal candidates, it is used to send direct mail, telephone, or email communications to REALTOR[®] members about federal candidates through the "Opportunity Race" program.

Candidates

▾ Isn't giving PAC money equivalent to buying a candidate's vote?

No. At the federal level, there are strict PAC spending limits set for each election, which are hardly enough to "buy" a vote.

▾ What is the position of the RPAC Trustees concerning funding of candidates who are REALTORS®?

While the national RPAC Trustees do want to promote REALTOR® candidates, it is important to note that just because the candidate is a REALTOR® it does not mean he/she will receive an RPAC endorsement.

▾ How can I support RPAC when it funds candidates with whom I disagree?

RPAC only concerns itself with the voting record a candidate has on REALTOR® issues. As a member whose livelihood depends on many factors related to the buying and selling of homes, all members should support RPAC in order to help improve the business climate for the real estate industry.

▾ On what process and criteria does RPAC base its decision to support federal candidates?

Like most PACs, RPAC subscribes to the "Friendly Incumbent" philosophy. To have credibility on Capitol Hill, if an incumbent has been supportive of REALTOR® issues, RPAC should support that incumbent for re-election. Measuring that support is based on their voting record as well as other legislative actions the incumbent has taken. That record is shared with the respective State RPAC Trustees Committees. The State Trustees then make a recommendation for support of candidates which the National Trustees may Approve, Amend, Defer, or Deny. The National RPAC Trustees' policy is to only contribute to one candidate in any given election. If the state and National Trustees disagree, then RPAC remains neutral in the race.

▾ Does the National RPAC contribute to state or local candidates?

Under the cooperative agreements in effect between the National RPAC and the state association's Political Action Committees, the responsibility for making contributions to federal candidates is assigned to the national RPAC, while state and local associations' Political Action Committees decide which state and local candidates to support.

▾ Leadership

▾ Who establishes and implements RPAC policy?

Leading the National RPAC organization are the National RPAC Trustees. The trustees establish and implement RPAC policy in accordance with the RPAC bylaws and NAR policy as established by the NAR Board of Directors. The trustees are made up of REALTOR® volunteers from around the nation who are appointed by NAR leadership.

▾ How does RPAC establish fundraising goals?

The dollar goal of National RPAC, set by the National RPAC Trustees. To ensure that all states contribute to the RPAC effort, a state's annual goal is determined by the number of members in that state based on the October 31 NRDS membership count. The National RPAC recognition year runs from November 1 to October 31.

▾ Who decides which candidates will be endorsed?

On the national level, the National Association of REALTORS® RPAC trustees make those decisions. On the state level, state RPAC trustees make those decisions, and on the local level, each local association makes those decisions or has a committee that does so.

APPENDIX D:

ECAR Keybox Rules

The Emerald Coast Association of REALTORS[®] (the “Association”) provides the Keybox System (the “System”) in accordance with the policies and procedures of the National Association of REALTORS[®] (“NAR”) as outlined in Statement 7.31 – Lock Box Security Requirements from the current NAR *Handbook on Multiple Listing Policy*. The System is an activity of the Association and not its Multiple Listing Service, and every REALTOR[®] and every non-principal broker, sales licensee and licensed or certified appraiser affiliated with a REALTOR[®], shall be eligible to hold a key (“System Users”). Participation in the System is voluntary, and nothing shall prevent the owner’s rights to refuse to have a lockbox on his or her property.

1. **The System.** The System includes lock boxes and keys provided by its vendor, currently GE Security (“Supra”).
2. **Lockboxes.** Supra Infra-red (IBox) are provided for purchase to System Users by the Association at the cost of the lockboxes to the Association by Supra plus applicable sales and/or use taxes. Sales of lockboxes are final, but any defective lockbox may be returned for replacement within the one year manufacturer warranty. Lockboxes are coded by Supra for this Association’s System and will not operate with keys other than those provided through this System or Systems of Cooperating Associations. Lockboxes will not be repurchased by the Association, but they may be sold to other System Users. Sales of AEII Lockboxes or IBoxes from one System User to another System User are authorized provided the System User purchasing a lockbox registers the change of ownership with the Association. Alternative lockboxes may be provided by the Association based on availability.
3. **Keys.** Keys are provided for lease to the System User directly from Supra through a Keyholder Lease Agreement (Appendix C). The Association, under separate agreements with Supra, will authorize and facilitate the leasing of keys but is not party to the Supra Keyholder Lease Agreement. Lease fees have been established through these agreements, and a portion of the lease fee is paid by Supra to the Association for the administration of the System. Keys may not be shared, exchanged, borrowed, subleased, or sold by the System User under any circumstances. Access Codes or PIN Codes must not be revealed to any person regardless of whether that person is a System User, and codes shall not be written on, displayed near, or affixed to any key or lockbox.
4. **Cooperative Agreements.** The Association has agreed with other area boards and associations (“Cooperating Associations”) to provide access to System lockboxes for those users of Cooperating Associations’ Keybox Systems wishing to do so. System Users may request similar access to Cooperating Association lockboxes by contacting the Cooperating Association
(continued next page)

5. **Termination of System Services.** A System User may terminate his or her participation in the System at any time before the end of the lease period (August 24 of each year). Agreements terminated after the lease period will still be subject to the full payment as per paragraph 11a of the Supra Keyholder Lease Agreement. Keys and lease fees are subject to the terms and conditions of the Supra Keyholder Lease Agreement, and the Association will access a fee for the activities required by the Association to assist Supra in retrieving leased keys or collecting overdue fees. The Association reserves the right to suspend or terminate access to the System for the following reasons:
- a. Failure to maintain keyholder eligibility
 - b. Non-payment of any fees owed to the Association
 - c. Misuse or abuse of the System
 - d. As requested by Supra as provided for in its agreements with the Association and the System User
 - e. For reasons stated in other agreements between the Association and System User
 - f. When the Association has reasonable suspicion the System security or integrity has been compromised

Note: Suspension or termination of access the System does not relieve System User from any obligation under the Supra Keyholder Lease Agreement until leased equipment has been returned and any outstanding balance has been cleared.

6. **Fines.** The Association may impose fines for various infractions of these Keybox System rules as Described in the Schedule of Fines below.

Schedule of Fines

Offense	Fine
Sharing, exchanging, borrowing, subleasing, or selling a key	\$1,000
Revealing an Access Code or PIN Code, or writing a code on, displaying a code near, or affixing a code to a key or lockbox	\$75
Failing to register with the Association of the purchase of a lockbox from another System User	\$25
